

The Cougar Connection

School Mission:

The SFCCS community will work together, as a family, to instill Catholic faith and values in each unique student. We will provide a supportive and challenging environment, with mutual respect among and between students and staff, so that each child can reach his or her full potential.

SUMMER READING

School may be out for summer, but that doesn't mean you are allowed to stop learning. Every end is also a beginning. The end of one school year signals the beginning of another. Your summer reading assignments are enclosed. **DON'T** wait until the last minute!

Research shows that students can regress as many as two (2) grade levels in reading over summer vacation, so **PLEASE READ** a little each day.

Each classroom teacher from PK to 8th grade has taken the time to prepare meaningful, age appropriate assignments that students should complete by the first day of school (unless otherwise stated on the assignment).
