

The Cougar Connection

School Mission:

We will work together, as a family, to instill Catholic faith and values in each unique student. We will provide a supportive and challenging environment, with mutual respect among and between students and staff, so that each child can reach his or her full potential.

SUMMER READING

School may be out for summer, but that doesn't mean you are allowed to stop learning. Every end is also a beginning. The end of one school year signals the beginning of another. Your summer reading assignments are enclosed. **DON'T** wait until the last minute!

Research shows that students can regress as many as two (2) grade levels in reading over summer vacation, so **PLEASE READ** a little each day.

Each classroom teacher from PK to 8th grade has taken the time to prepare meaningful, age appropriate assignments that students should complete by the first day of school (unless otherwise stated on the assignment).

We are looking for a 2011 Auction Chair-Elect!

As each year's auction is more successful than the next, we are looking to make the transition from Chair to Chair smoother each year as well. Current 6th grade parent, Kelly DeCaire, has agreed to chair the 2011 auction, but is looking for a chair-elect that will automatically chair the 2012 auction. Interested? Looking for more info? Email Ms. Williamson @ carriejane.williamson@cabrini-sav.org.
