

THE COUGAR CONNECTION

School Mission:

The SFCCS community will work together, as a family, to instill Catholic faith and values in each unique student. We will provide a supportive and challenging environment, with mutual respect among and between students and staff, so that each child can reach his or her full potential.

MISSION OF THE MONTH

SFC TWIN PARISH IN HAITI

Our twin parish is located in Bocozelle in the Antibone region of Haiti. We have been twinning with the same parish for over 25 years and have developed a great relationship. Fr. Remy serves as Pastor along with Fr. Cero who serves both as the Associate Pastor and Superintendent of their Parish School. This past summer, Fr. Cero was able to visit our parish and addressed the SFC community explaining their needs in Haiti. This Fall, we will be sending a container with used musical instruments for them to start a school band, clothing, school supply items, and refurbished computers repaired with the help of the SFCCS computer club starting this year with Mr. Bourtin. Our Out-of-Uniform collection for this month will help with the cost of shipping the container later this Fall.

**OUT-OF-UNIFORM
September 23 cost: \$1**
